

SOCORRO ISLANDS 2026

Mar 7-15, 2026

We are excited to have you join us for a once-in-a-lifetime trip aboard the Nautilus Belle Amie to the Socorro Islands. The true magic of Socorro is experiencing the incredible encounters with the Giant Mantas. These gentle giants seem to truly enjoy interacting with divers and exhibit an interest and up close behavior with humans not seen anywhere else in the world. We will be diving during Humpback Whale season along with bottlenose dolphins, sea lions, 10+ species of sharks & huge schools of fish, and so much more.

You will meet at SeeCreatures Cabo San Lucas no later than 7pm to board the ship on March 7, 2026. The ship will return to Cabo San Lucas by 8:30am on March 15, 2026 and disembarkation will begin shortly afterwards.
