

INDONESIA

Scuba diving in Indonesia offers an incredible underwater adventure, with its diverse marine environments and over 17,000 islands. Located in the Coral Triangle, it features stunning spots like Raja Ampat, Komodo National Park, and Bunaken Marine Park, known for vibrant coral reefs and abundant sea life, including manta rays, sharks, and sea turtles. The warm waters and clear visibility make it ideal for divers of all levels. Additionally, the country's rich culture and beautiful landscapes enhance the appeal, making Indonesia a dream diving destination.
